Dear Chair Kennedy and Ranking Member Murray,

Thank you for your support for the priorities that I have brought to the subcommittee's attention over the years. As you are working to develop the Energy and Water Development appropriations bill for fiscal year (FY) 2027, I am writing to respectfully request the subcommittee's support these programs and projects, which are attached on the following pages.

My requests are submitted in priority order for the committee's consideration. All of my priorities that are congressionally directed spending items comply with Senate Rule XLIV and committee requirements. I am grateful for the opportunity to work together to shape the Energy and Water Development appropriations bill for FY 2027. If you have any questions concerning my requests please do not hesitate to contact Leilani Doktor (Leilani_Doktor@schatz.senate.gov) or Harley Gonsalves (Harley_Gonsalves@schatz.senate.gov) in my office for additional information.
